

GEMMA WILLIAMS

Medical Writer & Founder of
Health Writers, S.L.

PROFILE

I am a Senior Medical Writer with over 9 years' experience in medical communications and publishing. I specialise in educational medical writing and have vast writing experience in scientific publications, clinical slide kits, CME materials, scientific posters, product monographs, promotional materials, value dossiers and strategic message development.

I also specialise in the application of the principles of biochemistry, physiology, nutrition and supplementation to sport and exercise.
